Nota:
Ajuste por inflación: para determinar los valores de las transferencias automáticas en términos reales, se descontó a los valores nominales el efecto de la inflación. Para ello resulta problemático utilizar los datos de variación en el Índice de Precios al Consumidor publicados por el Instituto Nacional de Estadística y Censos, ya que los mismos, correspondientes al período 2007-2015 han sido fuertemente cuestionados, además de que no se cuenta con datos correspondientes a los meses que van desde diciembre de 2015 hasta abril de 2016 inclusive, por lo que sólo se podría trabajar con los años 2017 y 2018. Por tales situaciones, se ha optado por considerar la evolución del Índice de Precios al Consumidor que calcula el Gobierno de la Ciudad Autónoma de Buenos Aires (que conforma un área metropolitana con el Conurbano).

Ajuste por inflación: los valores de las transferencias automáticas ajustados por inflación, es decir, en términos reales, se calcularon descontando el efecto de la inflación a los valores nominales . Para esto se tomó como referencia la evolución del Índice de Precios al Consumidor que calcula el Gobierno de la Ciudad Autónoma de Buenos Aires.

Notas:

Transferencias automáticas: son transferencias monetarias que reciben los municipios a traves de distintos fondos, por parte de la Provincia de Buenos Aires. Los montos transferidos surgen de la recaudación de impuestos provinciales y los criterios de distribución se han establecido previamente en alguna Ley o Decreto.

Coparticipación bruta: Es la transferencia más importante y remite al regimen general de distribución de un 16,14% tanto de la Coparticipación Federal que recibe la provincia de Buenos Aires como de la recaudación de los impuestos provinciales a los ingresos brutos, a los sellos, a los automotores y a los inmuebles urbanos.

Descentralización tributaria: la descentralización se desarrolla a partir de 2003 con la sanción de la ley Nº 13.010 que establece que los municipios realicen la gestión y cobro del impuesto a los ingresos brutos correspondiente a contribuyentes con ingresos menores a $144.000 (monto actualizado mediante leyes posteriores), del impuesto a los automotores que posean mas de diez años de antigüedad y del impuesto inmobiliario rural. Parte de lo recaudado es de libre disponibilidad para los municipios y otra parte conforma fondos provinciales con destino específico.

Juegos de Azar: el fondo se alimenta de lo producido por los juegos de azar explotados por el gobierno provincial.

Fondo de Fortalecimiento de Programas Sociales y Saneamiento Ambiental: se distribuye para asistencia social el 80% del total del fondo, y el 20% restante a saneamiento ambiental.
Fondo para Tratamiento y Disposición Final de Residuos: se crea con recursos del Fondo de Fortalecimiento de Programas Sociales y Saneamiento Ambiental.
Fondo de Fortalecimiento de Recursos Municipales: La Ley Nº 13.850 de 2008 crea el Fondo para el Fortalecimiento de Recursos Municipales integrado por recursos de libre disponibilidad para los municipios calculados como el 2% de la recaudación de ingresos brutos no descentralizados, considerados en forma previa a su coparticipación y a ser distribuidos al interior del colectivo municipal en igual forma que los recursos coparticipados.

Fondo de Inclusión Social: La Ley Nº 13.863, del año 2008, crea el Fondo Municipal de Inclusión Social integrado por el 1,5% de la recaudación de ingresos brutos no descentralizados, deducida de la porción de la recaudación que corresponde a la provincia con posterioridad a la aplicación del sistema general de coparticipación. Tal monto, de libre disponibilidad, se distribuye entre las municipalidades de acuerdo a los indicadores del Fondo de Fortalecimiento de Programas Sociales y Saneamiento Ambiental correspondientes a la parte social del mismo.

Fondo Solidario Provincial: La Ley Nº 13.976 de 2008 crea el Fondo Provincial Solidario integrado por el 30% de los recursos que recibe la provincia de Buenos Aires de la Coparticipacion Federal de Impuestos por los derechos de exportación a la soja (Fondo Federal Solidario). Tal monto se distribuye entre los municipios adoptando los mismos criterios que adopta el esquema general de coparticipación, siendo afectados a la realización de obras que contribuyan a la mejora de la infraestructura sanitaria, educativa, hospitalaria, de vivienda o vial en ámbitos urbanos o rurales y estando prohibida su utilización para el financiamiento de gastos corrientes. En agosto de 2018 el Fondo Federal Solidario (y, por ende, el Fondo Provincial Solidario) ha sido eliminado por el Poder Ejecutivo Nacional.

Fondo de Financiamiento Educativo: en el año 2013 se incorporó la distribución de este Fondo con destino a gastos en educación, ciencia y tecnología. A 2018 el 50% de lo que los municipios del Conurbano reciben por este fondo debe destinarse al mantenimiento de la infraestructura escolar, porcentaje que es del 40% para los municipios del interior bonaerense.
Ajuste coparticipación: Registra eventuales atrasos en el pago de la Coparticipación de años anteriores, que se subsanan en el año en que este ítem figura.
Fondo para Infraestructura Municipal: se creó en 2016 mediante Decreto N °340. Establece que los recursos deberán ser destinados por los municipios como mínimo en un 90% a obras de infraestructura, en materia hidráulica, vial, de energía, de transporte, de vivienda, sanitaria y/u hospitalaria, no siendo admisible el financiamiento de gastos corrientes u operativos de los Municipios y sus dependencias. En 2018 y en el Presupuesto 2019 no se contemplan recursos para este fondo. Sin perjuicio de ello, montos remanentes correspondientes a 2016 se han liquidado, durante 2017 y 2018; mientras que parte de lo correspondiente al ejercicio 2017 ha sido liquidado en 2018.

Fondo Ley 14.890: son recursos percibidos solamente en 2017 (eventualmente podrían percibirse en años posteriores algunos pagos rezagados) por la moratoria y blanqueo impositivos que el gobierno provincial implementó, en dicho año, por la citada Ley, de los que los municipios recibieron un 16,14%.
Ajuste Fondo Solidario Provincial: Contabiliza atrasos en el pago del Fondo Solidario Provincial de años previos, que se han subsado en el año en que dicho ajuste figura.
Fondo Compensador Decreto PEN 836/18: Dicho Decreto elimina el Fondo Federal Solidario, a la vez que establece una compensación, por única vez, de $4.125 millones, a ser distribuida,entre los gobiernos de nivel provincial (excepto La Pampa y San Luis, por no haber suscripto o haber renunciado al Consenso Fiscal de noviembre de 2017) en forma análoga a la Coparticipación Federal de Impuestos. Del monto recibido, cada provincia debe girar la mitad a sus gobiernos de nivel municipal. Dados los montos totales ejecutados en 2018, se prevé la existencia de un remanente a ser distribuido entre los municipios bonaerenses durante el ejercicio 2019 y/o posteriores.
